

NOTIFICATION

It has been decided by the College of Physicians & Surgeons Pakistan that for eligibility to appear in Intermediate Module (IMM) examination in all subjects, attendance of workshop on Communication Skills will be one of the mandatory requirements, in addition to attendance of other specified workshops.

This requirement will be applicable to all candidates, including repeaters, who will be appearing in IMM examination in March 2010 and onwards.

However, those trainees who have passed/will pass IMM examination before March 2010 without having attended the Communication Skills workshop will be required to attend it before appearing in FCPS-II final examination.
