

## **NOTIFICATION**

In partial modification of procedures for submission of thesis and evaluation contained in letter No.F.1-3/Exam-08/114-Q dated February 27, 2008 it has been decided that the candidates appearing in FCPS-II examinations in basic medical sciences will be allowed three chances to pass in oral/practicals (sub-component A-2) on the basis of passing the theory examination (sub-component A-1).

This facility for basic medical sciences candidates will be available with immediate effect and will be governed by the same rules as applicable in clinical subject examinations.
