

NOTIFICATION

It is notified for all concerned, that in accordance with Memorandum of Understanding signed between College of Physicians and Surgeons Pakistan and Royal College of Physicians London, there are trainees slots available in the field of Medicine, Paediatrics and Allied subjects.

Candidates who have passed Intermediate Module examination, and has acquired CPSP certificates and are desirous to avail the opportunity to go for remaining component of their training in U.K, are advised to apply on a prescribed form to the Secretary of the College latest by June 20, 2010.

Following are additional requirements for the applicants:

- ✚ Must have acquired IELTS with a scoring of 7 and preferably 8.
- ✚ Certification of successful completion of ATLS from authenticated institution.
- ✚ BLS/ACLS from authenticated institution.

Those who selected:-

- ✚ Will be exempted from PLAB.
- ✚ Their visas will be arranged by the institutions where they will work in Britain.
- ✚ These doctors will be paid the same amount as the local doctors in U.K.
- ✚ As their posting/training will be in CPSP / RCP accredited institutions, therefore, their period of training in U.K will also be counted towards the total required period for FCSP II examination.
- ✚ There will be no change in the other requirement of FCPS II examinations.

A similar arrangement is being made for the doctors in the field of Surgery and Allied. A separate notification will be issued soon after the finalization of number of slots available.
