

## **Invitation to submit One-best type of MCQs**

The College of physicians and Surgeons Pakistan invite all its fellows associated with postgraduate medical education to contribute in the up-gradation of its MCQ Bank by sending 30 MCQs in their specialty including 10 MCQs each for FCPS part I, Intermediate Module and FCPS part II. This effort is entirely voluntary, and will be useful to identify/ sustain quality examiners for college examinations, and will be counted as CPD/ CME activity of the college and due credit awarded.

Following receipt of 30 MCQs from a fellow, s/he will be invited to attend a meeting with a group of examiners to discuss/review each of the questions of the specialty group, so it is essential that the fellows send questions of high quality that they can thoroughly support. The deadline for sending MCQS is 10<sup>th</sup> of July 2009 at [dme@cpsp.edu.pk](mailto:dme@cpsp.edu.pk)

Participation in this activity will be greatly valued; and boarding, lodging and travel from out of city will be provided to the participating fellows for any meeting related to it. However, there will be no financial remuneration for the activity.
