

CPSP library is up grading Pathology and Diagnostic Radiology digital facilities

Library of College of Physicians and Surgeons Pakistan was established in 1965 and since its inception, it has been acquiring current medical literature and served as focal point in supporting postgraduate medical education. It is considered one of the best and biggest medical libraries in Pakistan declared a WHO depositary library in Pakistan. Library provides access to current reference materials and provides a quiet, comfortable, and peaceful environment for study. It also provides online access to Medlip, Index of dissertations and Books catalogue to our researchers / students.

According to the need of modern age, CPSP library is up grading Pathology and diagnostic radiology digital facilities to fulfill the requirement of trainees. Fellows are requested to share recent cases, specimens and imaging films with library. They will be acknowledged.
