An education that makes a difference

Apply Now

## Internship (House Job)

One year internship programme with exposure to medicine and surgery for medical graduates.

## Residency (Postgraduate Training)

Residencies in over 30 disciplines with flexible training programmes are available for medical graduates with internship experience.

## Fellowship (Post Residency)

Over 25 disciplines to choose from with selection based on residency training, academic qualification and research.

## Admission Information

Candidates may apply for ONE programme at a time: Internship, Residency or Fellowship.  
Only online applications will be accepted.

Related Documents, application fee and a printout of the completed application form submitted online must be sent by courier to the following address:  
Admission Office, PGME Programmes, Office of Registrar,  
Aga Khan University, Stadium Road, Karachi 74800

[www.aku.edu/apply-online](http://www.aku.edu/apply-online)

Programmes commence on January 1, 2018.

Early Bird Applications

July 18, 2017

Fee: Rs. 4,000

Late Applications

August 1, 2017

Fee: Rs. 8,000

Internship and Residency candidates must write an Admission Test on August 27, 2017, held simultaneously in Karachi, Hyderabad and Islamabad.

The Aga Khan University follows a strict merit-based, needs-blind admission policy.
