Examinations Department

No. F-1/Exam-19/CPS/1601-A

January 16, 2019

NOTIFICATION

It is notified for the information of all concerned that College of Physicians & Surgeons Pakistan has decided to modify the induction criteria and format of examination in the discipline of Radiotherapy.

Eligibility Criteria

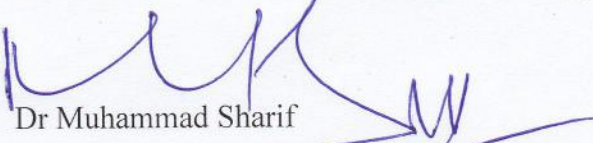

The eligibility criteria for induction into fellowship programme in Radiotherapy, has been expanded. In addition to FCPS Part-I in Diagnostic Radiology, doctors having qualified FCPS Part-I in Medicine & allied and Surgery & allied, can also join the said programme, with effect from January 2019 induction.

Intermediate Module Examination

Intermediate Module examination would be conducted after two years of training, for the residents inducted in January 2019 session. In written examination, both question papers of Intermediate Module, would consist of 100 MCQs each, of single best type.

Format of FCPS-II Examination

Applicable with effect from October 2019 examination, one question paper in written examination in FCPS Part-II Radiotherapy, would consist of 100 MCQs of single best type.
